Los Angeles, CA | Sterling_Q@outlook.com | linkedin.com/in/qsterling1 | thesterlingsgroup.com

Producer and builder who has shipped consumer products to tens of millions of users, from games to digital tools, now focused on AI automation, with a track record of leading products from concept to launch.

10M+ games sold | **30M** mobile downloads | **\$534K** raised on Kickstarter | **1B+** social media views

EXPERIENCE

Handshake AI / AI Trainer, Design Expert Los Angeles · 2025 to present

- Develop and evaluate domain-specific prompts to assess large language model performance.
- Analyze LLM outputs for accuracy, clarity, and depth across specialized domains.
- Run independent research to support prompt development and evaluation.

Sterling Q / Principal Consultant Los Angeles · 2013 to present

- Evaluate AI products and engineer prompts for enterprise clients (under NDA).
- Guide product teams from concept to launch with roadmaps and execution frameworks.
- Direct cross-disciplinary teams of designers, writers, and engineers.

Elex Technology / Brand Creative Manager, Product & Publishing Beijing · 2020 to 2022

Shipped The Walking Dead: Survivors (iOS, Android), 30M downloads.

- Drove 1,000,000 downloads in the first six months of launch.
- Built and ran a community of 1M+ users across platforms.
- Built ad pipelines and supervised user-acquisition launches, reaching 10,000 daily active users.
- Supported Clash of Kings, a global strategy title with 100M+ players, with user research, UX feedback, and store-page optimization.

Pathea Games / Senior Brand Manager, Publishing & Platform Strategy Chongqing · 2018 to 2020

Shipped My Time at Portia, My Time at Sandrock, Ever Forward (PS, Xbox, PC, Switch).

- Drove My Time at Portia from 650K to 2M+ Steam units and 10M+ across all platforms.
- Designed and led the My Time at Sandrock Kickstarter: \$100K in under 24 hours, closed at \$534K.
- Primary liaison to international publisher Team17, managing roadmaps and cross-team priorities.
- Negotiated platform deals across Nintendo, Xbox, PlayStation, Epic Games Store, and Humble Bundle.
